## Report of Superintendent

To the School Board of Albany:

We are having a very successful year in the school under the direction of Miss Almee White. The total registration this year is 15 pupils. There has been considerable absence this term on account of the severity of the weather and illness. This is unfortunate as the school has always maintained a high percentage of attendance.

The total registration for last year was 16 pupils. There were two cases of tardiness and the following had perfect attendance:

Richard Brown, George Hodgdon, Irma Morrill, Edwin Pennell. The register shows 18 visits of the superintendent and 13 of the nurse.

The medical examination last year showed the se defects:

Teeth	9
Tonsils	2
Glands	3
Speech	2

These corrections had been made since the previous report:

Teeth	15
Glands	2

The amount to be raised for the per capita tax next year is \$48, and the amount of state aid expected is \$788.18.

Feb. 14, 1934.

Respectfully submitted,

JOHN H. FULLER,

Superintendent.
